Who We **Are** ?

Established in 2012, **db CONSULTANCY SERVICES PRIVATE LIMITED** is one of India's leading surveying and regulatory consultancy firms. With over a decade of proven excellence, we specialise in land surveying, airport height clearance NOCs, and National Highway access permissions. Our reputation is built on precision, compliance, and customer satisfaction, backed by over 5000+ successfully delivered projects across residential, commercial, industrial, and governmental sectors.

Our **Vision**

To be India's most trusted partner for surveying, planning, and regulatory approvals, enabling infrastructure development that's compliant, efficient, and future-ready.

Our **Mission**

To be India's most trusted partner for surveying, planning, and regulatory approvals, enabling infrastructure development that's compliant, efficient, and future-ready.

Core **Services**

01 Land Surveying & Mapping

Our team offers comprehensive surveying solutions using advanced instruments like LEICA Total Stations and GEOMAX DGPS. We handle projects from small residential lots to expansive commercial and industrial plots.

Our Surveying **Expertise Includes:**

MSL Survey

Topographical Survey

Plot & Area Survey

Contour Mapping

Road Surveys

Quantity Calculations

DGPS Survey

Mining & Geology Surveys

Interior Stakeout & Pile Footing Setouts

02 Airport NOC & Height Clearance Consultancy (Since 2012)

We assist in securing NOCs from AAI, Defence, and Naval authorities for height clearance of structures like buildings, towers, chimneys, masts, and transmission lines.

What We **Handle:**

Fresh Applications

Appeals & Revalidations

Aeronautical & Obstacle Limitation Surface (OLS) Surveys

Nationwide Project Coverage

03 National Highway Access Permissions (Since 2022)

We act as liaison consultants for obtaining access approvals from NHAI for commercial structures like fuel stations, malls, and business outlets situated alongside national highways.

Why Choose **db CONSULTANCY SERVICES?**

- Over 12 Years of Domain Expertise
- ISO 9001:2015 Certified
- More than 5000 Projects Completed
- A Pan-India Client Portfolio
- Expert Survey Team Equipped with Cutting-edge Tech
- Deep Understanding of Regulatory Frameworks
